

SHOWROOM SHINE

DESCRIPTION:

A hand applied cleaner and polish specially formulated for renewing car polish finishes and quickly applying a deep shine for the showroom luster look. Excellent product for car dealerships, valet parking garages with washes and detail shops.

FEATURES:

- Pleasant scent
- Removes finger prints, dust and light soils from automotive finishes
- Safe and effective on paint, plastic and fiberglass
- Deposits a silicone protective finish to painted surfaces
- Easy to apply

APPLICATION:

Spray or hand apply with rag or sponge. Wipe surfaces to remove finger prints, dust and light soils. Remove excess with rag and lightly polish for glossy finish.
